OLD BUSINESS: None

NEW BUSINESS: September show - dates are Sept. 10-12, 2021 in Corning. Jeri has been in communication regarding partnering with 7CPHC. Several options are up for discussion including number of judges, show schedule with a 3 and 3 judge

show. Jeri would co-manage with Diane since Diane has offered to run the gate. Jeri has a call in to Terry at Corning to secure additional arenas. Ideas to add a silent auction, class drawings and a Calcutta or fun classes would be a nice draw.

Jeri hired three judges for this show. Julie Thompson, Teresa Pelton and Sally Jo Freund. Contracts will be sent out once we have sorted out the details, but they are confirmed to judge. Brandi will be going to CCC meeting and needs to get our show approved for 6 judge show. A vote was taken in favor of 6 judges and partner with 7CPHC.

Teri gave membership and sponsorship update. Members paid to date are 16, with some ranch and individual. Jeri had several sponsorships that came in and our regulars who sponsor. Eight sponsors as of the meeting totaling \$400 so far. If you have not sent your membership in or would like to sponsor the forms are on our [ncphc.org](http://ncphc.org) page.

Meredith ask for input to bring to the APHA convention as far as rule changes go. Several members were in favor of getting SPB regular registry passed.

A motion to adjourn was made by Robin and second by Meredith; motion carried and meeting adjourned at 9:20 p.m.
