TREASURES REPORT: None to report

CORRESPONDECE: None

Old business: Yolanda brought up we should set the expectation for each person we need accountability from. Jennifer, the facility SJPHC. Communicate through email and talk, too. So we have all our bookkeeping in order .

New Business: Only two more meetings until our show! Kristi has finished our show premium and it looks good.

Teri will secure the hotel rooms for the judges etc., and we will have Heather increase the dollar amount of the debit card, so we hope to not have a problem again.

Stall decorating contest, prize will be a free stall at this show. Our club will sponsor an ice cream social, Yolanda and Meredith will look into purchasing the ice cream cups and be in charge of setting up the ice chest.

SJPHC will host the BBQ instead of wine and cheese on Friday night.

Horseman ask if we wanted to advertise majority spoke against advertising this year.

Jeri had contacted Backroad Trading Co., which makes custom show pads to see if they would donate. Due to the slow time this year they could donate a 50% off a pad. Our cost would be \$100. It could bring in good money for the silent auction. Kristi offered a donation of a pad to the club at no cost from her business JKD TACK. Thank you, Kristi.

Brandi spoke with Terry at Corning and he was positive that we may get to have our show. Our show should be very large if it is the first show of the year given the cancellation of all the other shows so far. Historically large so we need to make it our best ever!

We would like to do class drawings and silent auction. We still need sponsorships Kristi will look at some that have donated in the past. Jeri has some items already, Teri has gotten several sponsorships. Anything anyone can think of our get would be great! We need to discuss if we will do something extra for the first 100 exhibitors to enter again.

Our warm up fundraiser class, riders will need a number or a ticket or some sort of accountability so the fees get paid.

Meredith got a letter together and sent it for the championship program and will send a copy to Jeri for her binder.

Our main focus at this time is that our show will be happening, we need to keep pressing on and have something to hope for and look forward to. This is our opportunity to shine!

A motion was made to adjourn by Brandi and a second by Meredith. Motion carried, and meeting adjourned at 9:15 p.m.
