

Northern California Paint Horse Club Minutes

Jan. 28, 2020

Meeting was called to order at 8 p.m.

Members present: Jeri Biggs, Teri Ray, Meredith Biasca, Ciera Huha, Heather Weldon, Donna Hover, Robin Wood, Yolanda Prentice

The minutes were sent in advance for our Dec. 3, 2019 meeting. A motion was made by Donna Hover to approve, and seconded by Meredith. Motion carried; minutes approved.

Correspondence: NWCC ask if we would like to advertise in their book. An email with new requirements for our year-end information from Theresa Brown our APHA rep due by March 1, 2020. Communication with SJPHC about reconciliation for outstanding hotel bills from the July show. (Update: All funds have been received and we can close the books for the July 2019 show!)

Old business: Finalize the July show with hotel discrepancy, now complete. Heather gave our donation to Stable Hands \$250. Heather also requested more details from the show so she can do a detailed report for year-end.

New business: All the judges for our July show have been hired. Jeri has contracts signed by Clint Fullerton, John Anderson, Dawnn Taylor and SJPHC has hired the fourth judge.

Corning contract is signed. Teri gave a report on membership drive and sponsorships coming in. (Update: As of Feb. 29, we have 8 sponsorships and 20 renewed and new members.)

Ciera has created a beautiful mug for us to give away for the membership drive winner — Meredith Biasca! Jeri encouraged us to look for silent auction items and sponsors. Yolanda suggested a fun class giveaway to add to the Fourth of July fun show. We are looking for any ideas to create a show that people will enjoy spending their holiday weekend with us. This year's show falls on the fourth of July, so trying to create a destination show!

Jeri suggested jackets for high points or sheets; something festive. Kristi will work on logo for show and awards with SJPHC.

Our club is partnering with Goldmine show in Burbank, held March 12-15 with CCC-approved paint horse classes. Teri will be working at the show and will

have flyers, and will hand out chapstick with our show dates on them. Its a very good representation to be involved in. Carolyn had extended the invitation to partner.

Lisa Laplace was looking for input on new rule changes, members encouraged to contact her directly.

A motion to adjourn the meeting was made by Meredith and a second by Yolanda. Motion carried and meeting was adjourned at 8:48 p.m.
